4 day intensive dressage training session to include:

- Daily lesson and training session with your personal horse
- Daily lesson on Lucia's lesson horse
- Observation session of Lucia's training horses including Amani at CSEC and Nemo at Shadow Ridge (which usually includes a lesson from Kathy Pavlich)
- Evening trail rides on your horse as a stretch and to practice the walk/free walk, if your horse is too tired a CSEC horse can be used (may not be daily)
- Overview and breakdown of your dressage tests from various shows, help/guidance formulating your 6 month plan for you and your horse
- A typed summary from me at the end of the 4 day, listing what your "homework" will be for the upcoming months

Horse Accommodations:

- Matted 12 x 12 box stall with sandy back yard
- LOTS of shavings (so your horse can rest up in between workouts!)
- Hay options: alfalfa, orchard, 3way
- Turnout if needed/wanted
